Remark: \*\* Various Packaging

This product is sold, and purchased, without any representation or warranty, either express or implied: (i) that the product is free from infringement of patents or other intellectual or industrial property rights, or (ii) that the product complies with local laws or requirements, environmental or otherwise, applicable in the jurisdiction(s) where sold, used, or possessed. The manufacturer and its distributors and agents disclaim any and all such warranties implied or otherwise applicable under the law of any jurisdiction (including without limitation article 42 of the UN convention on the International Sale of Goods), and further disclaim any liability for claims of any kind relating to the product and each person responsible for the purchase, possession, and/or use of the product, agrees by such action to defend, indemnify, and hold harmless the manufacturer and its distributors and agents from any and all such claims, and from any and all such claims, and from any related judgments, costs, and expenses including attorneys' fees.

All compatible toner cartridges are not intended for sale in the United States and European Union.

All products are remanufactured or compatible products. All brand names and trade marks are the properties of their respective holders and are referred to here for descriptive purpose only. We are not associated with any printer and/or original printing supplies manufacturers.

This product is sold, and purchased, without any representation or warranty, either express or implied: (i) that the product is free from infringement of patents or other intellectual or industrial property rights, or (ii) that the product complies with local laws or requirements, environmental or otherwise, applicable in the jurisdiction(s) where sold, used, or possessed. The manufacturer and its distributors and agents disclaim any and all such warranties implied or otherwise applicable under the law of any jurisdiction (including without limitation article 42 of the UN convention on the International Sale of Goods), and further disclaim any liability for claims of any kind relating to the product and each person responsible for the purchase, possession, and/or use of the product, agrees by such action to defend, indemnify, and hold harmless the manufacturer and its distributors and agents from any and all such claims, and from any and all such claims, and from any related judgments, costs, and expenses including attorneys' fees.

All compatible toner cartridges are not intended for sale in the United States and European Union.

All products are remanufactured or compatible products. All brand names and trade marks are the properties of their respective holders and are referred to here for descriptive purpose only. We are not associated with any printer and/or original printing supplies manufacturers.

This product is sold, and purchased, without any representation or warranty, either express or implied: (i) that the product is free from infringement of patents or other intellectual or industrial property rights, or (ii) that the product complies with local laws or requirements, environmental or otherwise, applicable in the jurisdiction(s) where sold, used, or possessed. The manufacturer and its distributors and agents disclaim any and all such warranties implied or otherwise applicable under the law of any jurisdiction (including without limitation article 42 of the UN convention on the International Sale of Goods), and further disclaim any liability for claims of any kind relating to the product and each person responsible for the purchase, possession, and/or use of the product agrees by such action to defend, indemnify, and hold harmless the manufacturer and its distributors and agents from any and all such claims, and from any and all such claims, and from any related judgments, costs, and expenses including attorneys' fees.

All compatible toner cartridges are not intended for sale in the United States and European Union.

All products are remanufactured or compatible products. All brand names and trade marks are the properties of their respective holders and are referred to here for descriptive purpose only. We are not associated with any printer and/or original printing supplies manufacturers.

This product is sold, and purchased, without any representation or warranty, either express or implied: (i) that the product is free from infringement of patents or other intellectual or industrial property rights, or (ii) that the product complies with local laws or requirements, environmental or otherwise, applicable in the jurisdiction(s) where sold, used, or possessed. The manufacturer and its distributors and agents disclaim any and all such warranties implied or otherwise applicable under the law of any jurisdiction (including without limitation article 42 of the UN convention on the International Sale of Goods), and further disclaim any liability for claims of any kind relating to the product and each person responsible for the purchase, possession, and/or use of the product agrees by such action to defend, indemnify, and hold harmless the manufacturer and its distributors and agents from any and all such claims, and from any and all such claims, and from any related judgments, costs, and expenses including attorneys' fees.

All compatible toner cartridges are not intended for sale in the United States and European Union.

All products are remanufactured or compatible products. All brand names and trade marks are the properties of their respective holders and are referred to here for descriptive purpose only. We are not associated with any printer and/or original printing supplies manufacturers.
